- (3) If the Commissioner of Police lodges an objection to an application under Part 4 because of information that is classified by the Commissioner of Police as criminal intelligence—

 - to sell liquor at any time through direct sales transactions to members (ii) of the club (provided that, if the liquor is to be delivered to an address in this State, the liquor is despatched and delivered only between the hours of 8 am and 9 pm and not on Good Friday or Christmas Day).

- (2) However, a club licence does not authorise extended trade in liquor unless the licence contains an extended trading authorisation.

 - (a) the club will not, during the currency of the licence, hold a gaming machine licence;

37—Retail liquor merchant's licence

- (1) A retail liquor merchant's licence authorises the licensee—
 - (a) to sell liquor on the licensed premises on any day except Good Friday and Christmas Day between the hours of 8 am and 9 pm, or over a continuous period authorised by the licensing authority, for consumption off the licensed premises (but a period authorised by the licensing authority must begin no earlier than 5 am, must end no later than midnight, and must not exceed 13 hours); and

 - (b) to sell or supply liquor by way of sample for consumption on a part of the licensed premises approved for the purposes by the licensing authority.
- (2) It is a condition of a retail liquor merchant's licence that the licensed premises must be devoted entirely to the business conducted under the licence and must be physically separate from premises used for other commercial purposes.

Exceptions-

Goods may be sold in the same premises if they are of the kind normally associated with, and incidental to, the sale of liquor (eg glasses, decanters, cheeses and pates).

The licensing authority may grant an exemption from the above condition if satisfied that the demand for liquor in the relevant locality is insufficient to justify the establishment of separate premises or there is some other proper reason for granting the exemption.

38—Wholesale liquor merchant's licence

- (1) A wholesale liquor merchant's licence authorises the licensee—
 - (a) to sell liquor on the licensed premises to a liquor merchant at any time for consumption off the licensed premises; and
 - (b) to sell liquor on the licensed premises between the hours of 8 am and 9 pm on any day (other than Good Friday and Christmas Day) to a person other than a liquor merchant for consumption off the licensed premises; and
 - (ba) to sell liquor at any time through direct sales transactions (provided that, if the liquor is to be delivered to an address in this State and the purchaser of the liquor is not a liquor merchant, the liquor is despatched and delivered only between the hours of 8 am and 9 pm and not on Good Friday or Christmas Day); and
 - (c) to sell or supply liquor by way of sample for consumption on a part of the licensed premises approved for the purposes by the licensing authority.
- (2) A wholesale liquor merchant's licence is subject to the following conditions—
 - (a) liquor must not be sold to a purchaser (other than a liquor merchant) in an aggregate quantity of less than 4.5 litres; and
 - (b) at least 90 per cent of the licensee's gross turnover from the sale of liquor in each financial year (excluding sales of liquor to the licensee's own employees and sales for the delivery of liquor outside Australia) must be derived from the sale of liquor to liquor merchants.

39—Producer's licence

- (1) A producer's licence authorises the licensee—
 - (a) to sell the licensee's product on the licensed premises at any time for consumption off the licensed premises; and
 - (b) to sell the licensee's product at any time through direct sales transactions; and
 - (c) if the conditions of the licence so provide—to sell or supply by way of sample for consumption on a part of the licensed premises approved for the purposes by the licensing authority—
 - (i) the licensee's product; or
 - (ii) for the purposes of comparison with the licensee's product, other liquor of the same type as the licensee's product; and
 - (d) if the conditions of the licence so provide—to sell liquor at any time for consumption in a designated dining area with or ancillary to a meal; and
 - (e) if the conditions of the licence so provide—to sell the licensee's product at any time for consumption on a part of the licensed premises approved for the purposes by the licensing authority subject to restrictions specified by the licensing authority by condition of licence.

- (1a) The following rules apply for the purposes of subsection (1):
 - (a) if a licensee has production premises—the licensed premises may be comprised of either a production outlet or retail outlet or both a production outlet and retail outlet:
 - (b) if a licensee does not have production premises—the licensed premises may only be comprised of a retail outlet;
 - (c) a production outlet must be comprised of—
 - (i) the whole or a part of the licensee's production premises; or
 - (ii) premises that are adjacent to the licensee's production premises and approved by the licensing authority for the purpose;
 - (d) a retail outlet must be comprised of premises approved by the licensing authority for the purpose;
 - (e) if a licensee's production premises are in a particular wine region and are to be used for the production of wine—any retail outlet of the licensee must be in that wine region.
- (1b) The same premises may be shared by 2 or more licensees—
 - (a) as a retail outlet for each of the licensees; or
 - (b) as a production outlet for 1 licensee and as a retail outlet for the other licensees.

but the licensing authority must not grant a licence resulting in the same premises being so shared if of the opinion that the trade to be authorised at the premises would, in view of the number of licensees involved or the nature and extent of the trade or for any other reason, be better authorised by a retail liquor merchant's licence or a licence of some other category.

- (1c) To the extent that licensees share the same premises as referred to in subsection (1b)—
 - (a) the part of the premises that is shared is referred to as a *collective outlet*; and
 - (b) for the purposes of the application of this Act to the part of the premises that is shared, a single producer's licence will be taken to be held for that part of the premises jointly by the licensees.
- (1d) The licensing authority may endorse a producer's licence with an authorisation to sell or supply the licensee's product on a site specified in the endorsement during an event specified in the endorsement for consumption on or off the site as specified in the endorsement (a *producer's event endorsement*) except if—
 - (a) the licensee does not have production premises; or
 - (b) the licensing authority is of the opinion that the trade to be authorised by the endorsement would, in view of the likely scale or nature of the event or for any other reason, be better authorised by a limited licence or a licence of some other category.

Note-

Licensees cannot share the same site specified in an endorsement—see section 48(3).

- (1e) If a licensee's production premises are in a particular wine region and are to be used for the production of wine, any site specified in a producer's event endorsement must be in that wine region.
- (1f) A producer's licence with a producer's event endorsement authorises the licensee to sell or supply the licensee's product in accordance with the endorsement and the licensed premises are, for the period for which the licensee is so authorised to sell or supply the product, to be regarded as including any site specified in the endorsement.
- Liquor is to be regarded as a licensee's product if— (2)
 - in the case of beer—it was brewed by or at the direction of the licensee (or a related body corporate) and is uniquely the licensee's (or the related body corporate's) own product;
 - in the case of spirits—it was produced by or at the direction of the licensee (b) (or a related body corporate) and is uniquely the licensee's (or the related body corporate's) own product;
 - (c) in the case of wine
 - the wine was fermented by or under the direction of the licensee (or a related body corporate) and is uniquely the licensee's (or the related body corporate's) own product; or
 - (ii) the wine was produced by blending wine produced from Australian primary produce and a substantial proportion of the blended wine was fermented by or under the direction of the licensee (or a related body corporate) and is uniquely the licensee's (or the related body corporate's) own product; or
 - the wine was produced by blending wine produced from Australian primary produce by or at the direction of the licensee (or a related body corporate) in accordance with, and during a period specified in, an approval granted by the licensing authority under subsection (3) and is uniquely the licensee's (or the related body corporate's) own product,
 - and the licensee (or a related body corporate) assumed the financial risk of the production;
 - in the case of other liquor—it was produced by or at the direction of the (d) licensee (or a related body corporate) and is uniquely the licensee's (or the related body corporate's) own product.
- (3) The licensing authority may, on application by a licensee, grant an approval for the purposes of section 39(2)(c)(iii) if satisfied that circumstances beyond the control of the licensee warrant the licensee being authorised to produce wine during the period to be specified in the approval other than wine comprised of, or including a substantial proportion of, wine fermented by or under the direction of the licensee (or a related body corporate).
- For the purposes of this section—

licensee means the holder of a producer's licence;

production premises of a licensee means premises to be occupied and used by the licensee for the production of liquor;

wine region means a geographical area in relation to which a geographical indication is in force under the *Australian Wine and Brandy Corporation Act 1980* of the Commonwealth.

39A—Direct sales licence

- (1) A direct sales licence authorises the licensee to sell liquor at any time through direct sales transactions (provided that, if the liquor is to be delivered to an address in this State, the liquor is despatched and delivered only between the hours of 8 am and 9 pm and not on Good Friday or Christmas Day).
- (2) It is a condition of a direct sales licence that the licensee does not, as part of, or in connection with, the business authorised by the licence, invite or admit prospective purchasers of liquor to any premises or place at which liquor is displayed or stored for sale by the licensee.

40—Special circumstances licence

- (1) A special circumstances licence authorises the licensee to sell liquor for consumption on or off the licensed premises in accordance with the terms and conditions of the licence.
- (2) A special circumstances licence cannot be granted unless the applicant satisfies the licensing authority that—
 - (a) a licence of no other category (either with or without an extended trading authorisation) could adequately cover the kind of business proposed by the applicant; and
 - (b) the proposed business would be substantially prejudiced if the applicant's trading rights were limited to those possible under a licence of some other category.
- (3) A special circumstances licence does not authorise extended trade in liquor unless the licence contains an extended trading authorisation.
- (4) If liquor is sold by a licensee under a special circumstances licence for consumption at a function off the licensed premises, the licensed premises of the licensee are, for the period for which the licensee supplies liquor at the function, to be regarded as including the premises at which the function is held.

41—Limited licence

- (1) A limited licence authorises—
 - (a) the licensee to sell or supply liquor; or
 - (b) the consumption of liquor,

in accordance with the terms and conditions of the licence, in circumstances in which the sale, supply or consumption of liquor would otherwise be unlawful.

- (2) A limited licence may only be granted for a special occasion or series of special occasions.
- (3) A limited licence is not to be granted for a term of more than one month unless the licensing authority is satisfied that there are special circumstances justifying a longer term.

- (4) A limited licence may be granted either to a person who holds a licence of some other class or to an unlicensed person.
- (5) A limited licence is not to be granted if—
 - (a) the licence is sought for a function organised by a particular person or group; and
 - (b) limited licences have been granted for previous functions organised by the same person or group; and
 - (c) the licensing authority is of the opinion that the trade to be authorised by the licence would, in view of the frequency of applications, be better authorised by a permanent licence or by condition of a permanent licence.

Division 3—Conditions of licence

42—Mandatory conditions

- (1) It is a condition of every licence that the licensee must comply with codes of practice prescribed or approved under the regulations—
 - (a) to minimise the harmful and hazardous use of liquor; and
 - (b) to promote responsible attitudes in relation to the promotion, sale, supply and consumption of liquor.
- (2) It is a condition of a licence authorising the sale of liquor for consumption off the licensed premises that liquor sold under that authorisation—
 - (a) must be delivered to the purchaser in sealed containers or containers of a kind approved by the licensing authority; and
 - (b) if the liquor is not delivered personally to the purchaser at the licensed premises—must, except in the case of a direct sales licence or where the licensing authority gives an authorisation to the contrary, be despatched to the purchaser from the licensed premises; and
 - (c) must not be consumed on the licensed premises unless the licence also authorises the sale of liquor for consumption on the licensed premises and the liquor could have been lawfully sold and consumed on the licensed premises under that authorisation.

43—Power of licensing authority to impose conditions

(1) The licensing authority may impose licence conditions the authority considers appropriate.

Examples —

- Conditions to ensure that the noise emanating from the licensed premises is not excessive.
- Conditions to minimise offence, annoyance, disturbance or inconvenience to
 people who reside, work or worship in the vicinity of the licensed premises, or
 to minimise prejudice to the safety or welfare of children attending
 kindergarten, primary school or secondary school in the vicinity of the licensed
 premises, resulting from activities on the licensed premises, or the conduct of
 people making their way to or from the licensed premises.

- Conditions to prevent offensive behaviour on the licensed premises (including
 offensive behaviour by persons providing or purporting to provide
 entertainment (whether live or not) on the licensed premises).
- Conditions to protect the safety, health or welfare of customers, staff (or both).
- Conditions to ensure that the nature of the business to be conducted under the licence conforms with representations made to the licensing authority in proceedings for the grant of the licence or other proceedings under this Act.
- Conditions to ensure public order and safety at events expected to attract large crowds.
- Conditions to prevent the consumption of liquor sold for consumption off the licensed premises in the vicinity of the licensed premises.
- Other conditions to ensure compliance with the objects of this Act.
- (2) A licensing authority may impose a condition under subsection (1)—
 - (a) on the grant, transfer or removal of a licence; or
 - (b) on application by the licensee; or
 - (c) on application by the Commissioner of Police; or
 - (d) if the licensing authority is the Court—on application by the Commissioner; or
 - (e) in any other proceedings under this Act involving the licensee; or
 - (f) if the licensing authority considers the condition necessary for public order or safety—on the Commissioner's own initiative.
- (3) The licensing authority may vary or revoke a condition imposed under this section.

44—Extended trading authorisation

- (1) An extended trading authorisation is a condition of a licence authorising extended trade in liquor.
- (2) An extended trading authorisation cannot be given unless the licensing authority is satisfied that—

Division 2—General powers and discretions of licensing authority

53—Discretionary powers of licensing authority

- (1) Subject to this Act, the licensing authority has an unqualified discretion to grant or refuse an application under this Act on any ground, or for any reason, the licensing authority considers sufficient (but is not to take into account an economic effect on other licensees in the locality affected by the application).
- (1a) An application must be refused if the licensing authority is satisfied that to grant the application would be contrary to the public interest.
- (2) A licensing authority should not grant an application as a matter of course without proper inquiry into its merits (whether or not there are objections to the application).
- (2a) A licensing authority may—
 - (a) grant an application on an interim basis;
 - (b) specify that a condition of a licence, permit or approval is to be effective for a specified period,

and, in consequence, may give any necessary procedural directions in the matter.

- (3) A licensing authority may, on such conditions (if any) as it thinks fit, vary or waive compliance with formal requirements relating to an application.
- (4) If a licensing authority considers that an applicant should satisfy the licensing authority as to a certain matter for the purposes of determining the application, the licensing authority may, if the licensing authority thinks fit, nevertheless grant the application on the condition that the applicant satisfies the licensing authority as to the matter within a period determined by the licensing authority.
- (5) If a licence, permit or approval is granted on a condition under subsection (4), the licensing authority may, on failure by the applicant to comply with the condition, revoke the licence, permit or approval, or suspend the licence, permit or approval until further order.
- (6) A licensing authority may in proceedings accept an undertaking from a party in relation to the conduct of the proceedings and, on failure by the party to fulfil the undertaking, refuse to hear the party further in the proceedings subject to any further order of the licensing authority.

 - (b) the reputation, honesty and integrity of people with whom the person associates.
- (2) If a licensing authority is to decide whether a person is a fit and proper person to supervise or manage, or to be involved in the supervision or management of, the business conducted or to be conducted under a licence, the licensing authority must also give consideration to—
 - (a) whether the person has the appropriate knowledge, experience and skills for the purpose; and
 - (b) in particular—whether the person has knowledge, experience and skills in encouraging the responsible supply and consumption of liquor.
- (3) For the purposes of determining whether a person is a fit and proper person for a particular purpose under this Act, the Commissioner may cause the person's photograph and fingerprints to be taken.

Division 3—Application for new licence

56—Applicant to be fit and proper person

- (1) An applicant for a licence must satisfy the licensing authority—
 - (a) that the applicant is a fit and proper person to hold the licence; and
 - (b) if the applicant is a trust or corporate entity—that each person who occupies a position of authority in the entity is a fit and proper person to occupy such a position in an entity holding a licence of the class sought in the application.
- (2) If a person referred to in subsection (1) is to supervise or manage, or be actively involved in the supervision or management of, the business conducted under the licence but does not have the appropriate knowledge, experience and skills for that purpose, the licensing authority may nevertheless grant the licence on the condition that the person undertake specified training within a specified time after the grant of the licence.

57—Requirements for premises

- (1) An applicant for a licence for premises or proposed premises must satisfy the licensing authority—
 - (a) that the premises for which the licence is sought are, or, in the case of premises not yet constructed, will be, of sufficient standard for the purpose of properly carrying on business under the licence; and
 - (b) that the operation of the licence would be unlikely—

- to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises; or
- (ii) to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.
- (2) An application for a licence for premises or proposed premises must not be granted unless the licensing authority is satisfied—
 - (a) that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the premises or proposed premises for the sale of liquor have been obtained; and
 - (b) that any approvals, consents or exemptions that are required by law for the carrying out of building work before the licence takes effect have been obtained; and
 - (c) that any other relevant approvals, consents and exemptions required for carrying on the proposed business from the premises have been obtained.
- (3) The licensing authority may dispense with the requirement that an applicant for a direct sales licence or limited licence—
 - (a) satisfy the licensing authority as to a matter referred to in this section; or
 - (b) submit plans.

58—Grant of hotel licence or retail liquor merchant's licence

- (1) An applicant for a hotel licence must satisfy the licensing authority by such evidence as it may require that, having regard to the licensed premises already existing in the locality in which the premises or proposed premises to which the application relates are or are to be situated, the licence is necessary in order to provide for the needs of the public in that locality.
- (2) An applicant for a retail liquor merchant's licence must satisfy the licensing authority that the licensed premises already existing in the locality in which the premises or proposed premises to which the application relates are, or are proposed to be, situated, do not adequately cater for the public demand for liquor for consumption off licensed premises and the licence is necessary to satisfy that demand.
- (3) A reference to licensed premises already existing in a locality extends to premises in that locality, or premises proposed for that locality, in respect of which a licence is to be granted, or to which a licence is to be removed, under a certificate of approval.

59—Certificate of approval for proposed premises

- (1) The licensing authority may refuse an application for a licence for proposed premises having regard to the extent to which the proposed premises are uncompleted but may, instead, grant a certificate (a *certificate of approval*) approving the plans submitted by the applicant in respect of the proposed premises if satisfied that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the proposed premises for the sale of liquor have been obtained.
- (2) A certificate of approval—
 - (a) may be granted on conditions the licensing authority thinks fit; and

- b) must state the trading rights to be conferred by the licence and may state conditions to which the licence should be subject.
- (3) If—
 - (a) a certificate of approval has been granted; and
 - (b) the holder of the certificate satisfies the licensing authority—
 - (i) that the conditions (if any) on which the certificate was granted have been complied with; and
 - (ii) that the premises have been completed in accordance with plans approved by the licensing authority on the grant of the certificate or a variation of those plans later approved by the licensing authority,

a licence conferring the trading rights, and subject to the conditions, specified in the certificate must be granted to the holder of the certificate in respect of the premises.

- (4) A certificate under this section is, for the purposes of the provisions of this Act relating to the transfer of a licence, taken to be a licence.
- (5) A transaction under which the holder of a certificate of approval agrees to the transfer of the certificate for a monetary or other consideration is void unless the proposed transfer is to a close associate.

Division 4—Removal of licence

60—Premises to which licence is to be removed

- (1) An applicant for the removal of a licence to premises or proposed premises must satisfy the licensing authority—
 - (a) that the premises to which removal of the licence is sought are, or, in the case of premises not yet constructed, will be, of an appropriate standard for carrying on business under the licence; and
 - (b) that the removal of the licence would be unlikely—
 - to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises; or
 - (ii) to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.
- (2) An application for the removal of a licence to premises or proposed premises cannot be granted unless the licensing authority is satisfied—

 - (b) that any approvals, consents or exemptions that are required by law for carrying out of building work before the removal of the licence takes effect have been obtained; and
 - (c) that any other relevant approvals, consents and exemptions required for carrying on the proposed business from the premises have been obtained.

- (3) The licensing authority may dispense with the requirement that an applicant for the removal of a direct sales licence—
 - (a) satisfy the authority as to a matter referred to in this section; or
 - (b) submit plans.

61—Removal of hotel licence or retail liquor merchant's licence

- (1) An applicant for removal of a hotel licence must satisfy the licensing authority by such evidence as it may require that, having regard to the licensed premises already existing in the locality to which the licence is to be removed, the removal of the licence is necessary in order to provide for the needs of the public in that locality.
- (2) An applicant for the removal of a retail liquor merchant's licence must satisfy the licensing authority that the licensed premises already existing in the locality to which the licence is to be removed do not adequately cater for the public demand for liquor for consumption off licensed premises and the removal of the licence is necessary to satisfy that demand.
- (3) A reference to licensed premises already existing in a locality extends to premises in that locality, or premises proposed for that locality, in respect of which a licence is to be granted, or to which a licence is to be removed, under an existing certificate of approval.

62—Certificate of approval for removal of licence to proposed premises

- (1) The licensing authority may refuse an application for the removal of a licence to proposed premises having regard to the extent to which the proposed premises are uncompleted but may, instead, grant a certificate (a *certificate of approval*) approving the plans submitted by the applicant in respect of the proposed premises if satisfied that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the proposed premises for the sale of liquor have been obtained.
- (2) A certificate of approval—
 - (a) may be granted on conditions the licensing authority thinks fit; and
 - (b) may include a statement of conditions to which, in the opinion of the licensing authority, the licence should be subject on its removal (either in addition to, or in substitution for, existing conditions of the licence).
- (3) If—
 - (a) a certificate has been granted under subsection (1); and
 - (b) the holder of the certificate satisfies the licensing authority—
 - (i) that the conditions (if any) on which the certificate was granted have been complied with; and
 - (ii) that the premises have been completed in accordance with plans approved by the licensing authority on the grant of the certificate or a variation of those plans later approved by the licensing authority,

the licence must be removed to the new premises and, if the certificate of approval provides for the addition or substitution of conditions, the licence then becomes subject to the new conditions in accordance with the terms of the certificate.

(4) A transaction under which the holder of a certificate of approval agrees to the transfer of the certificate for a monetary or other consideration is void unless the proposed transfer is to a close associate.

62A—Removal of producer's licence in respect of outlet

An application for removal of a producer's licence in respect of a production outlet to a different production outlet or in respect of a retail outlet to a different retail outlet is to be dealt with as an application for the removal of the licence to premises or proposed premises under this Division (even if the licence is not removed in respect of some other outlet).

Division 4A—Addition of outlets to producer's licence

62B-Addition of outlets to producer's licence

- (1) An applicant for the addition to a producer's licence of premises or proposed premises as a production outlet or retail outlet must satisfy the licensing authority—
 - (a) that the premises sought to be added are, or, in the case of premises not yet constructed, will be, of an appropriate standard for carrying on business under the licence; and
 - (b) that the addition of the premises to the licence would be unlikely—
 - to result in undue offence, annoyance, disturbance or inconvenience to people who reside, work or worship in the vicinity of the premises; or
 - (ii) to prejudice the safety or welfare of children attending kindergarten, primary school or secondary school in the vicinity of the premises.
- (2) An application for the addition to a producer's licence of premises or proposed premises as a production outlet or retail outlet cannot be granted unless the licensing authority is satisfied—
 - (a) that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the premises or proposed premises for the sale of liquor have been obtained; and
 - (b) that any approvals, consents or exemptions that are required by law for carrying out of building work before the removal of the licence takes effect have been obtained; and
 - (c) that any other relevant approvals, consents and exemptions required for carrying on the proposed business from the premises have been obtained.
- (3) If adding a production outlet or retail outlet to a producer's licence would result in the establishment of a collective outlet or an increase in the number of licensees for whom the outlet constitutes a collective outlet, the licensing authority must not grant the application for the addition if of the opinion that the trade to be authorised at the outlet would, in view of the number of licensees involved or the nature and extent of the trade or for any other reason, be better authorised by a retail liquor merchant's licence or a licence of some other category.

62C—Certificate of approval for addition to producer's licence of proposed premises as outlet

- (1) The licensing authority may refuse an application for the addition to a producer's licence of proposed premises as a production outlet or retail outlet having regard to the extent to which the proposed premises are uncompleted but may, instead, grant a certificate (a *certificate of approval*) approving the plans submitted by the applicant in respect of the proposed premises if satisfied that any approvals, consents or exemptions that are required under the law relating to planning to permit the use of the proposed premises for the sale of liquor have been obtained.
- (2) A certificate of approval—
 - (a) may be granted on conditions the licensing authority thinks fit; and
 - (b) may include a statement of conditions to which, in the opinion of the licensing authority, the licence should be subject on the addition of the premises (either in addition to, or in substitution for, existing conditions of the licence).
- (3) If—
 - (a) a certificate has been granted under subsection (1); and
 - (b) the holder of the certificate satisfies the licensing authority—
 - (i) that the conditions (if any) on which the certificate was granted have been complied with; and
 - (ii) that the premises have been completed in accordance with plans approved by the licensing authority on the grant of the certificate or a variation of those plans later approved by the licensing authority,

the new premises must be added to the licence and, if the certificate of approval provides for the addition or substitution of conditions, the licence then becomes subject to the new conditions in accordance with the terms of the certificate.

(4) A transaction under which the holder of a certificate of approval agrees to the transfer of the certificate for a monetary or other consideration is void unless the proposed transfer is to a close associate.

Division 5—Transfer of licence

63—Applicant for transfer must be fit and proper person

- (1) An applicant for the transfer of a licence must satisfy the licensing authority—
 - (a) that the applicant is a fit and proper person to hold the licence; and
 - (b) where the applicant is a trust or corporate entity—that each person who occupies a position of authority in the entity is a fit and proper person to occupy such a position in an entity holding a licence of the class to which the application relates.

- (2) If a person referred to in subsection (1) is to supervise or manage, or be actively involved in the supervision or management of, the business conducted under the licence but does not have the appropriate knowledge, experience and skills for that purpose, the licensing authority may nevertheless transfer the licence and impose a condition of the licence that the person undertake specified accredited training within a specified time after the transfer of the licence.
- (3) A club licence or a limited licence is not transferable.

64—Limitation on sale or assignment of rights under licence

- (2) This section does not prevent a licensee from entering into a contract for the sale or assignment of rights to carry on business under the licence if the contract is subject to a condition precedent under which the sale or assignment will not take effect unless and until the transfer of the licence to the purchaser or assignee has been approved by the licensing authority.

65—Transferee to succeed to transferor's liabilities and rights

- (1) Where a licence is transferred, the transferee succeeds to the liabilities of the transferor under this Act.
- (3) If a licence authorising the sale of liquor produced by the licensee is transferred, the transferee may sell, under the licence, liquor produced by the transferor before the date of the transfer as if it had been produced by the transferee.

Division 6—Voluntary suspension and revocation of licence

66—Suspension and revocation of licence

- (1) The Commissioner may, on the application of a licensee, suspend the licence held by that licensee.
- (2) A suspension—

 - (b) may operate generally or in relation to a particular part of the licensed premises or a particular aspect of the licensee's business.
- (3) The Commissioner may revoke a licence if it appears that the licensee has ceased to carry on business under the licence.

67—Surrender of licence

- (1) A licensee may, by written agreement with the Commissioner, surrender the licence as from a date fixed in the agreement.

 - (d) in the case of a producer's licence—remove a production outlet or retail outlet from the licensed premises.
- (2) An application for approval of an alteration to licensed premises must not be granted unless the licensing authority is satisfied that all other approvals, consents or exemptions required by law have been obtained.
- (3) If licensed premises are altered without approval under this section, the licensee is guilty of an offence.

Division 8—Extension of trading area

69—Extension of trading area

- (1) The licensing authority may, on application by a licensee who holds a licence authorising the sale of liquor for consumption on the licensed premises, extend the authority conferred by the licensee so that the licensee is authorised to sell liquor in a place adjacent to the licensed premises for consumption in that place.
- (2) The place to which the authorisation relates is, when the sale of liquor is authorised, taken to form part of the licensed premises.
- (3) An authorisation cannot be granted under this section unless—
 - (a) the licensing authority is satisfied that the object of the application could not be more appropriately achieved by redefinition of the licensed premises; and
 - (b) the licensee will, when the sale of liquor is authorised, be entitled to sell or supply liquor to customers in the relevant place; and
 - (c) the relevant place can be adequately defined and supervised; and

- (2) The licensing authority may, on the application of a person who seeks to assume a position of authority in a trust or corporate entity that holds a licence, approve the assumption by that person of that position in the entity.
- (3) The licensing authority may only approve a person as a responsible person, or approve the assumption by a person of a position of authority in a trust or corporate entity that holds a licence, if satisfied that he or she is a fit and proper person.
- (4) However, if an applicant for approval is to supervise and manage, or be actively involved in the supervision or management of, the business conducted under a licence but does not have the appropriate knowledge, experience and skills for that purpose, the licensing authority may nevertheless approve the person and impose a condition of the licence that the person undertake specified accredited training within a specified time of obtaining the approval.

Liquor Licensing (Producers, Responsible Service and Other Matters) Amendment Act 2009, Sch 1—Transitional provisions

1—Certain existing special circumstances licences

- (1) If a special circumstances licence in force under the *Liquor Licensing Act 1997* immediately before the commencement of section 6 of this Act authorises the licensee to sell the licensee's product (within the meaning of section 39 of the *Liquor Licensing Act 1997*) on the licensed premises at any time for consumption off the licensed premises, the licence will lapse 2 years after that commencement unless within that period the licensing authority, on application by the licensee—
 - (a) converts the licence into a producer's licence; or
 - (b) confirms that the licence may continue in force as a special circumstances licence.
- (2) The licensing authority may not confirm that a licence may continue in force as a special circumstances licence unless satisfied by the licensee that—
 - (a) a producer's licence (either with or without an extended trading authorisation) could not adequately cover the kind of business authorised by the licensee's special circumstances licence; and
 - (b) the licensee's business would be substantially prejudiced if the licensee's trading rights were limited to those possible under a producer's licence.
